

THE ORCHID RESTAURANT

Situated in the heart of Taipei, Orchid Restaurant was established in 2015 and now is one of the most reputed modern restaurant. Under the leadership of the passionate restaurateur, Mr. Frank Liu, and the talented Executive Chef Sato Kiyoshi, Orchid Restaurant has been consistently recognized by the Michelin Guide Taipei as 'Selected' for six consecutive years.

At Orchid, we are inspired by the Modern Japanese ethos, with a twist shaped by the global journey of Chef Sato Kiyoshi. Chef Sato holds a profound respect for both Taiwanese and Japanese ingredients, and he skillfully weaves together the heritage, art, and culture of various nations. This results in a culinary tapestry that beautifully reflects their past, present, and potential futures. The beverage team constructs and adjusts the wine pairing seasonally when Chef Sato launches new menu.

The wine selection at Orchid is well-designed. The majority of the wines cover most of the important regions, but they are also balanced with selections from other countries.

The wine cellar is sufficient in space to store approximately 300 bottles. For 90 items on the wine menu, apparently it is very efficient for operation. The temperature are set at 13°C for storing red wines and 8°C for white wines and champagne respectively.

The wine menu itself and the service style is very lively. We keep maintaining the flexibility to surprise our guests every time they dine at Orchid Restaurant. And the restaurant, the service team and the wine list will keep improving too.

We provide free flow of sparkling water and mineral water at NT\$150 per person.

All prices are subjected to a 10% service charge.
